BSM 631 / 800 / 1000 Electric Bandsaws for plastic pipes

Machine Description

- Dual saw arm travel support (adjustable from 0° to 45°)
- Mitre sawing facility with swivelling saw arm
- Prismatic guide shafts guarantee a precise cut
- Electric dual saw arm travel infinitely variable
- Cutting depth stop and automatic cutting stop
- Angle scale and angle adjustment are at the forefront of the machine
- Stationary roller table
- Laser cutting control
- Optional: Pneumatic clamping

Technical Data	BSM 631	BSM 800	BSM 1000
Length in mm	2300	2800	3800
Width in mm	2800	3450	3700
Height max. in mm	2800	3250	3750
Weight in kg	450	650	980
Electrical Data	BSM 631	BSM 800	BSM 1000
Tension	400 volts	400 volts	400 volts
Drive Motor	2,5 kW with overload protection	2,5 kW with overload protection	4,0 kW with overload protection
Frequency	50/60 Hz	50/60 Hz	50/60 Hz
Handling	control panel with safe-ball	control panel with safe-ball	control panel with safe-ball
Cutting range in mm	200 up to 630	200 up to 800	315 up to 1000
